Leadership America 2019

EMPOWERING WOMEN LEADERS

Leadership America, established in 1988, focuses on empowering and enhancing the skills of women who are already accomplished leaders - enlarging their universe and expanding their knowledge beyond their professional disciplines and responsibilities. Leadership America is a forum for women leaders who are making a difference in their respective spheres of influence, in enterprises large and small, and in cities across the nation and around the globe.

BROADLY INFORMED LEADERS ARE MORE EFFECTIVE LEADERS

Leadership America brings together senior-level women from a broad range of professional, cultural, geographic and ethnic backgrounds, and introduces them to outstanding women leaders from across the nation. Power brokers, policy shapers, noted scholars and creative thinkers, entrepreneurs and visionaries - these speakers and presenters engage participants in interactive exchanges that will educate, inform and inspire.

THE 2019 PROGRAM YEAR

The 2019 Leadership America program convenes in three sessions: Washington DC (April 7-9), Seattle (June 2-4) and Atlanta (September 22-24).

The tuition for all three sessions is \$4,000 and includes all programming materials, meals and activities. Participants are responsible for travel to/from the session cities and hotel costs (special group rates available).

Apply Now and become part of our legendary network of women leaders in 2019!
