

Leadership Pipeline 2019

August 9-10, 2019 - Omni Park West Hotel - Dallas, Texas

Gain sustainable strategies for navigating professional & personal advancement

Leadership Pipeline is ideal for the aspiring woman focused on the building years of her leadership journey.

This two-day retreat offers women the opportunity to be intentional about their leadership journeys and thoughtful in their next steps of advancement. It also provides sponsoring organizations a strategic way to identify, reward and encourage high potential women into the next level of performance and opportunity.

Developing sustainable strategies for navigating professional and personal advancement, attendees are able to connect with a broad diversity of peers to foster meaningful, ongoing relationships and a professional leadership network.

Participants will discover ways to re-frame internal dialogues to maximize positive outcomes and will explore some of the key competencies needed for effective leadership.

In addition, Leadership Pipeline women will assess their leadership strengths, the overall direction of their leadership journey and reflect on their personal and professional goals. With direction from innovative speakers and mentors, participants will identify core values to optimize both integrity and productivity as well as strengthen skills.

Program Investment

The investment in Leadership Pipeline is a tuition of \$850, which includes all programming, materials, meals, activities and one night's stay at the program hotel. The program will begin at 11 am on Friday and conclude at 4 pm on Saturday. Each participant is responsible for travel to/from the program hotel.

The 2019 Pipeline program will take place on August 9-10, 2019, at the Omni Park West Hotel in Dallas.
